

EDUCATIONAL EXAMINERS BOARD[282]

Adopted and Filed

Pursuant to the authority of Iowa Code section 272.2, the Board of Educational Examiners hereby amends Chapter 13, "Issuance of Teacher Licenses and Endorsements," Iowa Administrative Code.

The decision was made to limit who may substitute in a driver's education classroom because of the liability issues. After consulting with a representative from the Department of Transportation, the Board decided that a person who holds a substitute license should not be allowed to substitute in a driver's education classroom.

Notice of Intended Action was published in the Iowa Administrative Bulletin on July 28, 2010, as **ARC 8968B**. A public hearing on the amendment was held on Wednesday, August 18, 2010. No one attended the public hearing, and no written comments were received. This amendment is identical to that published under Notice.

This amendment is intended to implement Iowa Code chapter 272.

This amendment will become effective December 8, 2010.

The following amendment is adopted.

Amend subrule 13.16(3) as follows:

13.16(3) Authorization. The holder of a substitute license is authorized to teach in any school system in any position in which a regularly licensed teacher was employed to begin the school year except in the driver's education classroom. In addition to the authority inherent in the initial, standard, master educator, professional administrator, two-year exchange, and permanent professional licenses and the endorsement(s) held, the holder of one of these regular licenses may substitute on the same basis as the holder of a substitute license while the regular license is in effect.
